## WAREHOUSE IN A BOX

Storage space of 1 Pallet =  
Approximately 75-80 Cubic Feet

## STARTER WAREHOUSE IN A BOX

Storage space of 1/2 Pallet =  
Approximately 35-40 Cubic Feet

*No Charge for Receiving or Shipping Inventory  
California mailing address if Needed*

## RECEIVING INVENTORY

*Schedule a Call for a quote*

We have all the tools to receive all types of shipments as we do this for our own business. We also have a great Freight Forwarder that is customer service focused if you need additional assistance.

## SENDING INVENTORY

*Schedule a Call for a quote*

If you take advantage of this service, we will send your inventory to Amazon when needed. We will work with you to help you send the correct amount of inventory to keep your cost to a minimum.

## AVOID LONG-TERM FEES

*Schedule a Call for a quote*

Every six months, Amazon hits your business hard with long-term fees that are 6 times the normal monthly cost. If you are not using our warehouse services, these charges will rack up in a hurry.

## OPTIONAL SERVICES

*Inspection, Labeling, Packing*

We offer all types of optional services from Inspecting Inventory from suppliers to rush shipping to Amazon. Many of these services can be customized, schedule a call with our warehouse.

## RETURN & DESTROY

*\$2 per item*

When you choose to Destroy items with Amazon, they will actually put your items on a pallet with other sellers' items and sells them. Before you know, your listing is being hijacked with your own product.

## RETURN & DONATE TO CHARITY

*\$3 per item*

We created this offer so our customers get the advantage of donating their products to charity and getting the tax benefit. Be sure you are getting the tax write-off, not Amazon.
